

RUTUJA GONDANE

About Me

"I am Rutuja, a second-year B.Tech student with a strong passion for engineering and innovation. Dedicated to excelling in my studies and exploring emerging technologies, I am actively working towards building a rewarding career in my field. My enthusiasm for continuous learning drives me to participate in projects, events, and hands-on activities that enhance my technical and professional skills. Focused and ambitious, I am committed to turning my aspirations into impactful achievements."
